

# DISCOVER THE JOURNEY OF A LIFETIME...

*...go on a StoryRunners European Quest Project!*

Most Europeans can read, but choose not to. They are “secondary oral learners,” or people who choose to be entertained, to learn, and to communicate via oral means. They live in cultures steeped in Christian history, but claim to have no faith. Why? Because they have forgotten the story of God and man, and can’t see how their story fits in His.

That’s where you come in. Picture yourself taking part in a two-year adventure in pioneering evangelism. A Quest project is just that—a mission to communicate the stories of God to those who would rather hear it than read it. We must meet them where they are, and communicate to them in a form that they can personally embrace and pass on to others.

You don’t need any previous language training to make a difference. All you need is a willing heart and an adventurous spirit. As part of a small, dynamic team, you will go to some of the most beautiful cities in the world. There you will create the tools that could reach the next generation, and change the world forever.
